Review of Bus Routes

Concern was voiced by those in the audience about whether there is any way for SBRSD buses to serve in-district choice-in families in Sheffield, Alford and Egremont.

Chris Regan confirmed that “there is no existing route” that will serve those families in the mornings, but it is possible that those students may be able to take the “afterschool bus” from NMC to the main Sheffield campus.

Various solutions were suggested and questions asked, including one about the buses housed in New Marl at the bus drivers’ homes. Chris asked about the possibility of housing a bus in Sheffield and picking students up at Our Lady of the Valley along the way to NMC.

No actions taken.

**Next Meeting: Tuesday morning, July 13 - 5pm**
