

Chill Out and Read

SBRSD Summer Reading Challenge

2018

Dear Parents,

We are again sponsoring **Chill Out and Read**, a summer reading challenge for students entering grades EK-6. Children need to read over the long summer vacation to keep their hard-earned reading skills. The best way to stop the loss of skills is to keep up the habit of reading at home throughout the summer. Reading is a great way to learn about something new, get out of the sun, cool off and have fun too.

It's easy and fun to participate.

- Children entering EK/Kindergarten and Gr. 1 read (or be read too) at least 10 books.
- Children entering Gr. 2-6 read at least 5 books at their reading level.

Please fill out the attached book log and return it to school by August 31st. If you read more books, just write them on the back of the log. **All completed book logs must be signed by a parent.** Extra book logs are also available on our website. All students who complete the SBRSD Summer Reading Challenge will enjoy a Popsicle Recess on the 31st, weather permitting. Rain date would be Monday, September 3rd. So gather your books and get ready to Chill Out and Read!

Sincerely,
