GUIDELINES FOR PUBLIC COMMENT

A School Committee Meeting is a meeting of a government body at which members of the body deliberate over public business. We welcome the attendance of members of the school district community to view your School Committee as it conducts its regular business meeting.

Massachusetts General Laws Chapter 39 Section 23C governs public participation at open meetings of municipal government bodies.

Chapter 39: Section 23C, Regulation of participation by public in open meetings

Section 23C. No person shall address a public meeting of a governmental body without permission of the presiding officer at such meeting, and all persons shall, at the request of such presiding officer, be silent. If, after warning from the presiding officer, a person persists in disorderly behavior, said officer may order him to withdraw from the meeting, and, if he does not withdraw, may order a constable or any other person to remove him and confine him in some convenient place until the meeting is adjourned.

The School Committee believes that the school district community should have an opportunity to comment to the Committee on issues that affect the school district and are within the scope of the Committee’s responsibilities. Therefore the Committee has set aside a period of time at each School Committee meeting to hear from the public. In addition, if the Committee believes that an issue requires a dialogue with the school district community, the Committee may schedule a separate public hearing on that issue.

Any citizen who wishes to make a presentation to the School Committee on an item which is of interest to him/her and within the scope of the Committee’s responsibilities may request to be placed on the agenda for a particular meeting. Such request should be in writing and should be received by the Superintendent of Schools at least one week prior to the date of the meeting. Such request should contain background statements which would explain the scope and intent of the agenda item. The Chair of the Committee works with the Superintendent to formulate the meeting agendas. Together they will determine whether or not to place an item on the agenda and if the item is to be taken up they will also determine when to place an item on the agenda and all parameters to be required of the presenter.

Here are the general rules for the Committee’s public comment period:

1. Public Comment shall be for a period of 20 minutes and shall generally follow the opening of the meeting. The Committee reserves the right to rearrange its agenda to accommodate scheduled presenters.

2. Any citizen wishing to speak before the Committee shall identify themselves by name and address and shall speak for no longer than 3 minutes. No citizen may speak more than once without permission of the Chair. All citizens shall speak to the full Committee through the Chair and shall not address individual members or administrators.

3. Individuals may address topics on the agenda, items specified for public comment, or items within the scope of responsibility of the School Committee. The Chair shall rule out of order any individual who fails to honor the guidelines or who addresses a matter inappropriate for public comment.

4. Any Committee member may direct questions to the speaker through the Chair in order to clarify comments of the speaker.

Southern Berkshire Regional School District
PUBLIC PARTICIPATION AT SCHOOL COMMITTEE MEETINGS

All regular and special meetings of the School Committee shall be open to the public. Executive sessions will be held only as prescribed by the Statutes of the Commonwealth of Massachusetts.

The School Committee desires citizens of the District to attend its meetings so that they may become better acquainted with the operations and the programs of our local public schools. In addition, the Committee would like the opportunity to hear the wishes and ideas of the public.

In order that all citizens who wish to be heard before the Committee have a chance and to ensure the ability of the Committee to conduct the District's business in an orderly manner, the following rules and procedures are adopted:

1. At the start of each regularly scheduled School Committee meeting, individuals or group representatives will be invited to address the Committee. The Chairperson shall determine the length of the public participation segment.

2. Speakers will be allowed three (3) minutes to present their material. The presiding Chairperson may permit extension of this time limit.

3. Topics for discussion must be limited to those items listed on the School Committee meeting agenda for that evening.

4. Improper conduct and remarks will not be allowed. Defamatory or abusive remarks are always out of order. If a speaker persists in improper conduct or remarks, the Chairperson may terminate that individual's privilege of address.

5. All remarks will be addressed through the Chairperson of the meeting.

6. Speakers may offer such objective criticisms of the school operations and programs as concern them, but in public session the Committee will not hear personal complaints of school personnel nor against any member of the school community. Under most circumstances, administrative channels are the proper means for disposition of legitimate complaints involving staff members.

7. Written comments longer than three (3) minutes may be presented to the Committee before or after the meeting for the Committee members' review and consideration at an appropriate time.

Re: Special “End of Year” Conference Savings

Although the 2018 Joint Conference is still a couple of months away, the MASC and MASS Board of Directors want to make it as advantageous as possible for you and your colleagues to attend the 2018 program in Hyannis (November 7-10). We know that the end of the fiscal year presents an opportunity for considerable savings by registering early and thereby using current year funds.

With the fiscal and regulatory challenges confronting school districts this year, we are offering a special opportunity for school leaders to register for the joint conference on/before July 15, 2018 at a special “End of Year Reduced Rate” of $395.00 per registration (standard registration is $495.00). You can register easily online (www.masc.org) or by fax (617-742-4125).

This special registration rate is NON-REFUNDABLE, but we will allow you to transfer the registration to one of your colleagues should you be unable to attend.

So sign up now to take advantage of this special end-of-year opportunity. The savings will go a long way to help ease the financial challenges you face and the more than seventy workshops, panels, special sessions and targeted strands on social and emotional learning; fiscal and cost-savings issues; the impact of poverty on student achievement; college and career pathways; labor relations strategies and educator evaluations and contracting; plus legal and legislative updates that will give you the information you need to move your district forward in this era of tight budgets and expanded regulatory requirements.

**REGISTER BEFORE July 15.**

Forms for conference registration, meals and hotel accommodations are enclosed. PLEASE NOTE THAT THE HOTEL RESERVATION FORM MUST BE FAXED DIRECTLY TO THE HOTEL (508-778-6039). You can also mail the form with a check to the Resort and Conference Center at Hyannis, 35 Scudder Avenue, Hyannis, MA 02601.

Town of Egremont
Select Board

Re: Egremont School Renovations

Dear Select Board Members:

As mentioned in several meetings, I am required to ensure that the South Egremont School will be ready for occupancy with all the proper certifications and legal documents in order prior to the start of school.

This letter is in regard to the ongoing renovations at the South Egremont School. It is my understanding that the Town of South Egremont (hereinafter, the “Town”) expects the renovations to be completed no later than July 29, 2018. It is my understanding that, in light of these renovations, the Town must obtain new documentation of compliance with and/or variance from certain legal requirements applicable to renovated public buildings.

The District has received applications to enroll at the South Egremont School for the 2018-2019 school year, and it anticipates that the number of students who will enroll in the school will be sufficient to operate a program for the 2018-2019 school year. However, in order to operate a program in the South Egremont School, the District must ensure that the building and grounds meet all applicable state and federal requirements. This determination must be made well in advance of the 2018-2019 school year.

In light of the foregoing, and while reserving the right to supplement this request, I request that you provide me with the following documentation related to the South Egremont School no later than close of business on Friday, August 3, 2018:

1. Evidence of compliance with and/or a variance from the Massachusetts Architectural Access Board regulations, 521 CMR 1.1 et seq.; and,
2. Evidence of compliance with the requirements of Title II of the Americans with Disabilities Act; and,
3. A current certificate of occupancy pursuant to the Massachusetts State Building Code, 780 CMR 111.1 et seq.; and
4. A current certificate of compliance with the Massachusetts Comprehensive Fire Safety Code, 527 CMR 1.01 et seq.; and,
5. A current certificate of compliance with the Massachusetts Electrical Code, 527 CMR 12.00; and
6. A current certificate of compliance with Massachusetts Lead Poisoning Prevention and Control regulations, 105 CMR 460.00 et seq.; and,
7. Any other certificate, variance, and/or other evidence of compliance with state and/or federal facility requirements in relation to the South Egremont School.

Thank you for your prompt attention to this matter. I am confident that you understand my need to reassure parents that all necessary documentation is in place for their children to be able to attend the South Egremont School. Should the necessary documentation not be in place, students will be included in classes at Undermountain Elementary. If you have any questions regarding the foregoing, please feel free to contact me directly.

Sincerely,

Beth L. Regulbuto, M.Ed.,SFO
Superintendent of Schools
Public schools have the responsibility to overcome, insofar as possible, any barriers that prevent children from achieving their potential. The public school system will do its part. This commitment to the community is affirmed by the following statements that the School Committee intends to:

1. Promote the rights and responsibilities of all individuals as set forth in the State and Federal Constitutions, pertinent legislation, and applicable judicial interpretations.
2. Encourage positive experiences in human values for children, youth and adults, all of whom have differing personal and family characteristics and who come from various socioeconomic, racial and ethnic groups.
3. Work toward a more integrated society and to enlist the support of individuals as well as groups and agencies, both private and governmental, in such an effort.
4. Use all appropriate communication and action techniques to air and reduce the grievances of individuals and groups.
5. Carefully consider, in all the decisions made within the school system, the potential benefits or adverse consequences that those decisions might have on the human relations aspects of all segments of society.
6. Initiate a process of reviewing policies and practices of the school system in order to achieve to the greatest extent possible the objectives of this statement.

The Committee's policy of nondiscrimination will extend to students, staff, the general public, and individuals with whom it does business; No person shall be excluded from or discriminated against in admission to a public school of any town or in obtaining the advantages, privileges, and courses of study of such public school on account of pregnancy or pregnancy related conditions, race, color, sex, gender identity, religion, national origin, sexual orientation or disability. If someone has a complaint or feels that they have been discriminated against because of their race, color, sex, gender identity, religion, national origin, sexual orientation or disability, their complaint should be registered with the Title IX compliance officer.

EQUAL EMPLOYMENT OPPORTUNITY

The School Committee subscribes to the fullest extent to the principle of the dignity of all people and of their labors and will take action to ensure that any individual within the District who is responsible for hiring and/or personnel supervision understands that applicants are employed, assigned, and promoted without regard to their pregnancy or pregnancy related conditions, race, color, religion, national origin, sex, gender identity, sexual orientation, age, genetic information, ancestry, military status, or disability. Every available opportunity will be taken in order to assure that each applicant for a position is selected on the basis of qualifications, merit and ability.

PROFESSIONAL STAFF HIRING

Through its employment policies, the District will strive to attract, secure, and hold the highest qualified personnel for all professional positions. The selection process will be based upon awareness to candidates who will devote themselves to the education and welfare of the children attending the schools.

It is the responsibility of the Superintendent, and of persons to whom he or she delegates this responsibility, to determine the personnel needs of the school system and to locate suitable candidates. No position may be created without the approval of the School Committee. The District's goal is to employ and retain personnel who are motivated, will strive always to do their best, and are committed to providing the best educational environment for the children.

It will be the duty of the Superintendent to see that persons considered for employment in the schools meet all certification requirements and the requirements of the Committee for the type of position for which the nomination is made.

The following guidelines will be used in the selection of personnel:

1. There will be no discrimination in the hiring process due to pregnancy or pregnancy related conditions, race, color, religion, national origin, sex, gender identity, sexual orientation, age, genetic information, ancestry, military status, or disability.

2. The quality of instruction is enhanced by a staff with a wide variation in background, educational preparation, and previous experience.

3. The administrator responsible for the hiring of a staff member (in the case of District-wide positions, for the position of Principals, it is the Superintendent; for building-based personnel, it is the Principal) is directed to establish a representative screening committee. The administrator has the final say in determining who will be hired but it is expected that the screening committee's input will be a factor in the decision. For those positions where the hiring authority rests with the School Committee, a representative screening committee may be established by the School Committee, or the School Committee may direct the Superintendent to establish a screening committee to assist the Superintendent in making his/her recommendation to the School Committee.

EQUAL EDUCATIONAL OPPORTUNITIES

In recognition of the diversified characteristics and needs of our students and with the keen desire to be responsive to them, the School Committee will make every effort to protect the dignity of the students as individuals. It also will offer careful consideration and sympathetic understanding of their personal feelings, particularly with reference to their pregnancy or pregnancy related conditions, race, color, sex, gender identity, religion, national origin, sexual orientation, homelessness, or physical and intellectual differences.

To accomplish this, the Committee and its staff will make every effort to comply with the letter and the spirit of the Massachusetts equal educational opportunities law which prohibits discrimination in public school admissions and programs. The law reads as follows:

No child shall be excluded from or discriminated against in admission to a public school of any town, or in obtaining the advantages, privileges and course of study of such public school on account of race, color, sex, gender identity, religion, national origin, sexual orientation, or homelessness.

This will mean that every student will be given equal opportunity in school admission, admissions to courses, course content, guidance, and extracurricular and athletic activities.

All implementing provisions issued by the Board of Elementary and Secondary Education in compliance with this law will be followed.

SCHOOL CHOICE

It is the policy of this School District to admit non-resident students under the terms and conditions of the Interdistrict School Choice Law and under the following local conditions:

1. That by May 1 of every school year, the administration will determine the number of spaces in each school available to choice students.

2. That by June 1 of every school year, if consideration is being given to withdraw from the provisions of the choice law, a public meeting will be held to review this decision.

3. That resident students be given priority placement in any classes or programs within the District.

4. That the selection of non-resident students for admission be in the form of a random drawing when the number of requests exceeds the number of available spaces. There will be two drawings for this purpose. The first will take place during the last week of the current school year but no later than July 1st. The second will be conducted during the week immediately preceding the opening of the next school year and will be based on the possibility of unexpected additional openings.

5. Any student who is accepted for admission under the provisions of this policy is entitled to remain in the District until graduation from high school except if there is a lack of funding of the program.

6. The School Committee affirms its position that it shall not discriminate in the admission of any child on the basis of pregnancy or pregnancy related conditions, race, color, religion, national origin, sex, gender identity, age, homelessness, sexual orientation, ancestry, athletic performance, physical handicap, special need, academic performance or proficiency in the English language.
