Ms. Beth Regulbuto  
Superintendent of Schools  
SBRSD  
491 Berkshire School Road  
Sheffield, MA 01257

Mr. Ken Knox  
Chair, SBRSD School Committee  
SBRSD  
491 Berkshire School Road  
Sheffield, MA 01257

Dear Superintendent Regulbuto, Chair Knox, and members of the School Committee:

The Sheffield Board of Selectmen and Finance Committee endorse moving from the Statutory Assessment Method, as specified in the current Southern Berkshire Regional School District Agreement, to the 5-Year Average Minimum Required Contribution method of computation. We understand this will not impact the Required Local Contribution assessment.

This method as detailed by Chris Regan will provide an increased level of financial stability and budgetary forecasting among the five models she developed. We are grateful to Ms. Regan for the considerable time and attention she devoted to this, as well as meeting with each of the towns and answering questions.

We respectfully request SBRSD’s legal counsel develop a warrant article to make the change to this assessment method and look forward to bringing such a warrant article forward at our Annual Meeting May 6, 2019. To do so, we would need this article no later than March 15 2019.

Please contact Town Administrator Rhonda LaBombard with any questions or comments.

Sincerely,

David A. Smith Jr., Chair  
Sheffield Board of Selectmen
Southern Berkshire Regional School District

Please visit the SBRSD’s website for all meeting information. All approved meeting minutes of the SBRSD school committee are posted on the district’s website on the school committee page.
GUIDELINES FOR PUBLIC COMMENT

A School Committee Meeting is a meeting of a government body at which members of the body deliberate over public business. We welcome the attendance of members of the school district community to view your School Committee as it conducts its regular business meeting.

Massachusetts General Laws Chapter 39 Section 23C governs public participation at open meetings of municipal government bodies.

Chapter 39: Section 23C, Regulation of participation by public in open meetings

Section 23C. No person shall address a public meeting of a governmental body without permission of the presiding officer at such meeting, and all persons shall, at the request of such presiding officer, be silent. If, after warning from the presiding officer, a person persists in disorderly behavior, said officer may order him to withdraw from the meeting, and, if he does not withdraw, may order a constable or any other person to remove him and confine him in some convenient place until the meeting is adjourned.

The School Committee believes that the school district community should have an opportunity to comment to the Committee on issues that affect the school district and are within the scope of the Committee’s responsibilities. Therefore the Committee has set aside a period of time at each School Committee meeting to hear from the public. In addition, if the Committee believes that an issue requires a dialogue with the school district community, the Committee may schedule a separate public hearing on that issue.

Any citizen who wishes to make a presentation to the School Committee on an item which is of interest to him/her and within the scope of the Committee’s responsibilities may request to be placed on the agenda for a particular meeting. Such request should be in writing and should be received by the Superintendent of Schools at least one week prior to the date of the meeting. Such request should contain background statements which would explain the scope and intent of the agenda item. The Chair of the Committee works with the Superintendent to formulate the meeting agendas. Together they will determine whether or not to place an item on the agenda and if the item is to be taken up they will also determine when to place an item on the agenda and all parameters to be required of the presenter.

Here are the general rules for the Committee’s public comment period:

1. Public Comment shall be for a period of 20 minutes and shall generally follow the opening of the meeting. The Committee reserves the right to rearrange its agenda to accommodate scheduled presenters.

2. Any citizen wishing to speak before the Committee shall identify themselves by name and address and shall speak for no longer than 3 minutes. No citizen may speak more than once without permission of the Chair. All citizens shall speak to the full Committee through the Chair and shall not address individual members or administrators.

3. Individuals may address topics on the agenda, items specified for public comment, or items within the scope of responsibility of the School Committee. The Chair shall rule out of order any individual who fails to honor the guidelines or who addresses a matter inappropriate for public comment.

4. Any Committee member may direct questions to the speaker through the Chair in order to clarify comments of the speaker.

Southern Berkshire Regional School District
PUBLIC PARTICIPATION AT SCHOOL COMMITTEE MEETINGS

All regular and special meetings of the School Committee shall be open to the public. Executive sessions will be held only as prescribed by the Statutes of the Commonwealth of Massachusetts.

The School Committee desires citizens of the District to attend its meetings so that they may become better acquainted with the operations and programs of our local public schools. In addition, the Committee would like the opportunity to hear the wishes and ideas of the public.

In order that all citizens who wish to be heard before the Committee have a chance and to ensure the ability of the Committee to conduct the District's business in an orderly manner, the following rules and procedures are adopted:

1. At the start of each regularly scheduled School Committee meeting, individuals or group representatives will be invited to address the Committee. The Chairperson shall determine the length of the public participation segment.

2. Speakers will be allowed three (3) minutes to present their material. The presiding Chairperson may permit extension of this time limit.

3. Topics for discussion must be limited to those items listed on the School Committee meeting agenda for that evening.

4. Improper conduct and remarks will not be allowed. Defamatory or abusive remarks are always out of order. If a speaker persists in improper conduct or remarks, the Chairperson may terminate that individual's privilege of address.

5. All remarks will be addressed through the Chairperson of the meeting.

6. Speakers may offer such objective criticisms of the school operations and programs as concern them, but in public session the Committee will not hear personal complaints of school personnel nor against any member of the school community. Under most circumstances, administrative channels are the proper means for disposition of legitimate complaints involving staff members.

7. Written comments longer than three (3) minutes may be presented to the Committee before or after the meeting for the Committee members' review and consideration at an appropriate time.

   b. MS Program Overview for 2019-2020
      Superintendent Regulbuto informed the school committee that the middle school presentation was a culmination of 18 months of work in the district and that this module will be rolled-out in phases. This whole process was identified as an area of focus in the Superintendent’s entry plan last year and was a big part of the district strategic plan put forward this year. By 2019-2020, there will be a middle school program for grades 6-8. Superintendent Regulbuto then turned the presentation over to Mr. Carpenter. This middle school module will allow teachers to leverage their time and talents to assist students in maximizing their potential and provide a learning model that responds to their unique social-emotional and cognitive needs. Each grade will have its own theme through which students, using project-based learning, will begin to view the world (see attached for more details).
      Questions and answers session followed.

      Bonnie Silvers moved to approve the new design for the Middle School to begin with the 2019-2020 academic year.
      Jeffrey Blaugrund seconded the motion.
      Vote: Unanimous

   c. Greenagers: Vernal Pool Trail – Elia DelMolino (Letter of Permission)
      Mr. Del Molino, Trails Coordinator at Greenagers, introduced himself to the school committee. He stated the reason for being at the meeting was to request a letter of permission from SBRSD to rehabilitate and upgrade the vernal pool trail that runs behind the school complex. He also stated that he already has letters of support from teachers and staff at SBRSD.

      Through this project, Greenagers will make the trail “universally accessible” so that wheel chair users and individuals with limited mobility can use the trail as well. It will have a track similar to that of the River Walk or the Lake Mansfield Trails System in Great Barrington. Additionally,
Greenagers will fix the warped boardwalks and viewing platforms. They will be going through all the proper Conservation Commission and Natural Heritage Endangered Species permitting.

Mr. Sears moved that the Chair of the School Committee write a letter of permission to rehabilitate and upgrade the vernal pool trail, pending approval by the appropriate state and regulatory agencies. Mr. Blaugrund seconded the motion.
Vote: Unanimous

d. Governor’s Budget
   - Letter to Senator Hinds and Rep Pignatelli Regarding Rural Aid (copy attached)
Ken Knox commented on the letter regarding rural aid from the State of Massachusetts for the FY19 budget. He stated that the committee was here to advocate for our towns and children, and to perform our fiduciary responsibility to ensure that our kids receive the best education they can get. Mr. Knox thanked Superintendent Regulbuto and Chris Regan for sending the letter.
Mr. Sears suggested sending another version of this letter that says that the elected officials representing the towns are firmly behind this. He also suggested sending a similar letter to the select board members of the five towns requesting that they also send out letters supporting this.
Ms. Silvers would like to follow up with a letter from the school committee to the representatives and ask our elected officials to get on board.

Mr. Blaugrund moved to authorize a member of the school committee to draft a letter to the representatives and governor’s office articulating that we are advocating on behalf of our rural district moving forward with the upcoming budget cycle.
Bonnie Silvers seconded the motion.
Vote: Unanimous

Art Batacchi left the meeting at 7:24 p.m.

Superintendent Regulbuto presented the revenue portion of the FY20 SBRSD budget and Chris Regan presented a review of the Governor’s proposed budget regarding FY20 revenue projections. Below is a brief outline of anticipated revenue. (See attached for complete details).

Chapter 70 Funding:
Of the 318 school districts receiving an increase in per pupil Chapter 70 funding, Southern Berkshire, along with 182 other school districts will be receiving minimum aid, which is a $20 per student increase in Chapter 70 funds. Out total increase of $13,360 is a .68% increase over last year’s Chapter 70 funding.

Regional Transportation Reimbursement:
SBRSD is currently in its second year of our new contract with Massini Bus Company. Because our costs rose significantly at the beginning of the contract, our transportation reimbursement is expected to increase as well. The FY20 Cherry Sheet indicates that we will be receiving $686,823 in regional transportation funding. This is a $131,481 increase over FY19 projections. We do not know yet the final figure for reimbursement for FY19.

School Choice:
As of December 2018, SBRSD had 107 students tuitioning in via the School Choice program from ten school districts, and a total of 116 students tuitioning out to seven districts.
We are projected to receive a total of $640,149 in Chapter 70 revenue for students tuitioned in to SBRSD.
Excess and Deficiency Fund:
E&D funds are funds that result from revenues coming in higher and/or expenditures coming in lower than budgeted. These funds once certified by the Department of Revenue are available as a revenue source in the following year’s budget. SBRSD’s E&D has been certified at $819,257, which is less than the $834,501 we would be allowed to keep. This year’s E&D figure is $50,544 higher than the amount certified as of July 1, 2017.

Assessments:
Actual assessment figures will not be known until the FY20 budget has been presented to and approved by the school committee and the five member towns.

The power went out and the emergency generators came on. Mr. Knox asked the committee if the meeting should be continued or adjourned. Consensus was to continue the meeting.

8. Unfinished Business
   a. School Committee Meetings in Member Towns

To Whom It May Concern,

I am writing on behalf of our daughter, McKinley Piser, who will be 4 in May. I am proposing having her start at Undermountain next year to enter in the Early -K program or the Pre-K program. I understand that she is young for her age but there are a couple of reasons why my husband and I would like to push her into a school setting.

Our other daughter, Madison Piser, is in Kindergarten and she loves it. She is so happy and is learning so much. The one struggle that we have is that she is consistently coming home upset, because her peers are much more ahead of her. It seems as though her peers were given the opportunity to be in a preschool setting prior to kindergarten, which has been beneficial. Unfortunately, Madison did not have this privilege as there were no openings for her to go into for preschool during the time that she was eligible. Because of Madison’s experience, I would like to avoid it for McKinley and give her a fair chance and opportunity to be at the same pace as her peers.

My husband and I explored having both of our daughters go into another school district prior to them attending Southern Berkshire Regional School District. While they were both accepted and their spots were secure, we decided to go with Southern Berkshire because we liked that the community was strong and the small class size. We have chosen not to send McKinley to that other district because we would like to keep our girls together.

We are being proactive about this now, so that McKinley has a chance to be accepted into one of the programs above. We are asking that you either waive the age requirement or take the opportunity to speak to my husband and I about this matter. We feel strongly about our daughter’s education and feel as though she is more than ready to be with children her age and learn all that she is capable of learning.

We look forward to hearing from you at your convenience.

Respectfully,

John and Janet Piser

Blizzard Bags
What are they and should we plan for them in the SBRSD

The Why?
Two main factors in considering a move to Blizzard Bags:
- Mandatory hours and days of school
- The increasing number of weather-related cancellations

MA DESE MANDATES FOR TIME ON LEARNING
MA General Law, CMR 27.06 states:
the school is providing at least 180 days for students
- 900 hours for elementary schools
- 950 hours for secondary schools
- 425 hours for kindergartens
MA DESE STATES THAT

- School districts can approve locally the use of "Blizzard Bags" or learning days to count towards their hours of instruction.
- As the number of snow days increases the traditional school year extends.
- While possible to go past the end of the fiscal year it is not advisable.
- If the 180 days + hours mandate are not met within the framework of a traditional school year several things are happening across the state.
  - Days may be taken out of the annual spring break.
  - Cancellation of traditional long weekends.
  - The school year may extend into July.

Blizzard Bags are an alternative to a traditional school day
- They may be used on a snow cancellation day to replace instruction.
- Work is gathered and sent home on a day when the school district knows in advance that there will be a snow cancellation.
- School Committee must approve the use of Blizzard Bags.

Potential challenges to consider
- What if not all students perform the work in the Blizzard Bags?
- What are the thresholds/consequences for not performing the work?
- Time to develop the Blizzard Bags must be considered.
- Faculty must be "on call" to answer questions during a Blizzard Bag Day.
- Certain employee contracts would need to be discussed in terms of the Blizzard Bags.
Proposed new version of JFABB - ADMISSION OF FOREIGN STUDENTS

The School Committee may grant approval for non-US residents to attend district schools through programs under whose sponsorship foreign students will reside in the district. The School Committee will also, as part of such approval, determine whether such students will be admitted with no tuition or under tuition amounts approved by the School Committee.
Southern Berkshire Regional School
District Curriculum Report

2.14.19

STRATEGIC
This month begins planning for SY 19-20 in terms of curriculum, instruction, and professional development. Curriculum in the areas of mathematics and science have been reviewed and ordered. Additionally, the roll out of our FASTBridge formative assessment system has begun. A team from Undermountain Elementary visited the Pittsfield Public Schools on 1.23.19 to view how the assessment system is utilized during an open test window. The early feedback on the visit was positive. The entire district underwent a webinar training on FASTBridge on 1.18.19 as well. Moving forward we will begin the process of opening the test window ourselves and moving through an iteration of the testing cycle.

OPERATIONAL
Our work on reviewing and fine tuning the Mt. Everett Program of Studies continued this past month. I have met with department heads and secondary administration to ascertain what aligning our coursework more closely with the MASSCore curriculum will do for our students. This discussion could have schedule implications as well. The Mt. Everett guidance counselors are reviewing different programs of study and visiting several schools in order to glean best practices to incorporate into our course work.

Further we have contracted with Dr. Chris Weber in order to better align our Response to Intervention (RTI) protocols to research based best practices. Dr. Weber has worked in both the Los Angeles and Chicago public school systems and is a recognized leader in RTI implementation. Dr. Weber will be working with our RTI leadership teams on 3.8.19 in the morning and our entire faculty in the afternoon.

From: Sandi Hubbard, Director of Student Services
Re: February 14, 2019 Director’s Report for School Committee Meeting

Hello!

Please join me in wishing our colleague, School Adjustment Counselor Susan Happ, all the best in her retirement. Susan leaves us after 33 years of service and her last day was January 31st. Over the course of the years, she has been committed to providing students, families, and staff with programs and support that go way beyond the scope of her position. Susan was recognized by the students and staff at a gathering on January 30th during the Character Assembly. Thank you so much for everything, Susan! You will be greatly missed!

A Special Education Parent Advisory Council (SEPAC) meeting is being scheduled for early March. All families are welcome and we will be working on developing binders that contain information that can be helpful to parents as they work with the schools to support their children. This should be a very informative and productive meeting. The SEPAC leadership will be sending out more details very soon.

We are reviewing last year’s budget and this year’s needs. Beyond the general budget, special education grants support our programming. The IDEA 240 is a federal grant that we receive each year and typically is used for individual student program placements. In FY19, we received $262,000 and anticipate a similar allotment in FY20. We will share more information at upcoming finance meetings.

Have a great weekend and stay warm!

Respectfully submitted,

Sandi
