

Community Builders CO-OP MODE

In this class, we'll use the history of the Berkshires as a guide to shape our community in Minecraft in the setting of "peaceful survival mode" and later "survival mode." Both in the game and in real life there will be plenty of opportunities to build, craft and explore to your heart's desire while working in a group. Possible hands-on projects include: Cooking, potions, stained glass, crafty art projects, handmade art supplies and woodworking. We will decide as a group what to craft as a final project to then sell or donate to an organization of your choice. If you are into crafty stuff, awesome! If not, that's ok too because there will be other ways for you to be part of the project without needing to get her hands dirty. We will help you to take part in a way that YOU like.

We'll be playing Minecraft only half of the class time, leaving time for our hands-on activities. We welcome players of all abilities! *

Tuesdays (fifth & sixth grades) 2:45-5pm *
Thursdays (third & fourth grades) 2:45-5pm *

in the Computer Lab at Undermountain Elementary School

* The first meetings will be 10/3 and 10/5

The cost is \$20 for an 8 week session.

BERKSHIRE

SIGN UP BY FRIDAY SEPT. 29th!

Email jschwartz@berkshire.coop

or call 413-528-9697 ext. 33.

Be sure to mention your grade & teacher!
