   A. Student Representative Report – no report

4. **UPDATE(S)/PRESENTATION(S):**
   
   A. Capital Project Bond Presentation – Clarke Rowell, UniBank

   Mr. Rowell, from UniBank, informed the school committee that there is $4.6 million in notes maturing on February 1st. We are renewing $4,201,000 and the school committee needs to vote on this.

5. **BUSINESS**

   A. Approval/Vote of the $4,200,000 Bond Anticipation Note Sale and Execution of Documents for the Roof/Boiler Capital Project (Attached)

   Ms. Lartigue moved, seconded by Mr. Travis, that the School Committee authorize the District Secretary (Mr. Hastings) to sign the Note. Voted unanimously.

   Mr. Lartigue moved, seconded by David Travis, that the sale of the $4,201,000 Bond Anticipation Note, dated February 1, 2017 (the “Note”), to Eastern Bank, at the price of $4,201,000, is hereby approved and confirmed. The Note shall be payable on August 1, 2017, and shall bear interest at the rate of 1.1%. Voted Unanimously.

   He suggested taking advantage of the sale on May 22nd. The sale of the bond needs school committee approval, and this will need to be on the agenda soon after.

   Mr. Rowell further explained the following vote.
B.  Ms. Lartigue moved, seconded by Mr. Flynn, that the District vote to supplement its vote of January 20, 2015, in which it appropriated and authorized the borrowing of the amount of $7,741,000 for the purpose of paying the cost of the Roof/Boiler project at Mt. Everett/Undermountain School, so that, in accordance with Chapter 44, Section 20 of the General Laws, the premium received by the District upon the sale of any bonds or notes thereunder, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to pay project costs and the amount authorized to be borrowed for the project may be reduced by the amount of any such premium so applied. Voted unanimously.

Mr. Rowell explained the debt structure and schedule to the school committee (attached). He provided projected payment schedules for a 10-year and 20-year payback. First year total payments on the bond ranged from $436,000 for the 20-year schedule to $614,500 for the 10-year schedule. Total projected principal and interest for the life of the loan ranged from $5,408,250 for the 10-year schedule and $6,561,000 for the 20-year schedule. Both schedules assumed declining payments over the payback period (level principal payments).

The committee recommended waiting until the end of February to decide on the pay back schedule and bring it to both the Finance subcommittee and Building, Grounds & Technology subcommittee.

Mr. Flynn left the meeting at 7:23 p.m.

C. Approval/Vote by two-thirds of the School Committee to allow a Five Year Contract for the Upcoming Transportation Bid rather Than a Three Year Contract.

Chris Regan explained that per Massachusetts General Law, Chapter 30 B, the school committee needs to vote to allow the district to have a five-year contract vs a three-year contract. This would allow the district to spread the cost over a longer period.

Mr. Travis moved, seconded by Ms. Silvers, to allow a five-year contract for the upcoming transportation bid rather than a three-year contract.
All Voted Yes – Motion carries unanimously.

Questions and discussion ensued.

D. Approval of the 2017-2018 School Calendar (Attached)

Ms. Lartigue moved, seconded by Mr. Travis, to approve the 2017-2018 School Calendar as presented. Voted unanimously.

E. Superintendent’s Report – David Hastings

Community:
1. South Egremont School Project. Fred Finkle and I attended the contractor walk-through today. The plan is to raise the building approximately 8 inches, repair the sill on the parking side of the building, move the rear exit to the parking side of the building (onto the school property), and construct a ramp to the side door. The town hopes to have the project completed by August 20th, in time for school.
2. New Lambs. Four lambs have been born in the FFA barn since the end of December. FFA members have helped care for them and their mothers. Morgan Derby (Junior) assisted in the delivery of one.
3. FFA Chickens. The school cafeteria served 100 chickens that were raised on campus by the FFA during lunch on Jan. 10th. These chickens were donated to the cafeteria (a value of over $1500 in donated meat) as part of a National FFA Food for All Project. Danielle Melino & Sue Petrucci oversaw this project.

Students include: Sam Webb, Lizzy Sarnacki, Angus Kerr, Jake Martin, Jesse Smerechniak, Lauren Edwards, Kenny Edwards, Nancy Dodds, Madeline Von Ruden, Madeleine Soudant, and Mary Shalaby.

F. Teacher Substitute Daily Rate – Chris Regan
   Chris reported that two of our subs are certified teachers. Any changes to the rate of pay for certified subs would not be a big impact. Most of the districts pay for 6 or 6.5 hours or 3 hrs for half day, we are the only district who pays our subs for 7 hours a day. Most districts in Berkshire County pay $75-$80 for non-cert and $75-$100 for certified subs. Chris explained the reason for bringing this up is due to the discrepancy between the para rate for subs (based on the lowest rate in the Unit D contract) and the teacher sub rate. Further discussion ensued.

Ms. Lartigue left the meeting at 8:00 p.m.

Ms. Silvers moved, seconded by Mr. Sears, to increase the teacher substitute rate to $87.50 retroactive to January 1, 2017.

Roll Call Vote:
Mr. Batachi, Ms. Brown – No
Mr. Silvers, Mr. Travis, Ms. Bush, Mr. Sears, Mr. Law – Yes
Vote: 5-Yes; 2-No - Motion carries.

G. Subcommittee – Reconciliation of List (Copy Attached)
   A few changes were made to the subcommittee groups:
   - Bob Law was added to the Policy Subcommittee
   - E. Bonnie Silvers is a full member not an alternate on the Collective Bargaining Subcommittee
   - Vito Valentini added as the Legislative Representative
H. Vito Valentini – Legislative Representative – Job Description and Charge

Mr. Sears moved, seconded by Ms. Silvers, that Mr. Vito Valentini be the District’s Legislative Representative. Voted Unanimously.

Mr. Valentini explained that Superintendent Hastings had invited him to attend a Rural Schools Initiative meeting with Mr. Buoniconti. Mr. Valentini would like the approval of the School Committee to deal with some of the issues he feels are important to the district, mainly:
- The issue of Chapter 70 funding and the discrepancy in terms of how the state treats rural schools with the foundation budget.
- The Rural Schools Initiative
- The designation of SBRSD at Level 3
- School Choice
- Transportation

Mr. Sears moved, seconded by Mr. Batacchi, that the School Committee charge Mr. Valentini with the three items that he outlined as his charge.

Discussion ensued. Mr. Law asked if Mr. Valentini would consider adding School Choice and Transportation to his charge. Mr. Steward suggested amending the motion.

Mr. Sears moved, seconded by Mr. Law, that the School Committee charge Mr. Valentini to be the district’s representative with our local legislatures and the commonwealth wide area to address the issues that affect our school district with the top priority being the five items listed above. Voted unanimous. Motion carries.
