   By: Jefffrey Blaugrund  
   Second: David Travis  
   Vote: Unanimous

8. **Unfinished Business**  
   a. Student Representative to School Committee  
   Bonnie Silvers had met with Principal Jesse Carpenter to develop a plan on how the process of student representation to the school committee will take place. The plan that was discussed is as follows:  
   - Put together a team consisting of one representative from each grade (8-12) that would form a committee.  
   - They would all be encouraged to attend school committee meetings but would rotate who would sit in at a school committee meeting.  
   - Elections would be held in the fall.  
   - Each month a different student representative would attend meetings.  
   - Jesse Carpenter will meet with John Hammill, Head of the Social Studies Department. John would then meet with his team to develop a plan.  
   - The school committee will need to put together a statement of what the role of the student representative is. This would be distributed through the secondary school.  
   - Get out information this year for the election in the fall. Jesse will send home a notice to families and an article would be put in the Bold Eagle.  
   - School committee will generate a statement for the media and information will be posted on our website.  
   - If this is approved tonight, Jesse will meet with John Hammill to lay out the steps.  
   - It was agreed that the student spotlight agenda item will remain.
• The student representative will be given the opportunity to attend any subcommittee meetings if they choose to.
• The school committee will establish a vision for this student group, such as, do we want it to be something where students gather concerns and bring them to us, or are we looking at overall increasing awareness of what the school committee does.
• Help to encourage student involvement in the whole area of citizenship.

There was general discussion regarding the above.

Motion for the school committee to approve the plan that was laid out for moving ahead with establishing a student representative to the school committee.

   e. Bullying Plan – Vote Required

   Beth informed the school committee that this plan has been in place in the district as far as 2007 and that we are required by law to update it every two years. The goal is to ensure that our policies and practices align. This plan was presented at our Coordinated Program Review (now called Tiered Focus Monitoring). The administrative team went through the plan to make sure that all the forms we use have the appropriate information. We will be uploading the updated information in April for a May deadline. Policy and handbooks will also be updated based on this. Questions followed. Jeffrey Blaugrund suggested that Undermountain Elementary Anti-Bullying Hotline be changed to Elementary hotline.

   Motion that the school committee adopt the revised Southern Berkshire Bullying Prevention/Intervention and Education Plan.

b. Building, Grounds & Technology Subcommittee – A. Batacchi – nothing to report
c. Finance Subcommittee – D. Sears – nothing to report
d. Curriculum Subcommittee – D. Travis  
This subcommittee met about a month ago, discussed MCAS, GoMath and professional development surrounding GoMath. Also discussed the Pathways.
e. Executive Evaluation Subcommittee – D. Travis – nothing to report
f. Community Outreach and Input Subcommittee – B. Silvers  
Bonnie reported that the subcommittee had met and the following motions were made:

Motion that the full school committee have the community outreach subcommittee draft a letter to the wider community in support of the FY21 budget.  
By: Bonnie Silvers  
Second: Jeff Blaugrund  
Vote: Unanimous

Motion that the full School Committee recommend a funded public relations position be included in the upcoming budget with the goal of increasing enrollment through strategic communications, to include regular media pitches, writing stories of and communication to alumni, all constituents and getting SBRSD’s message out to the greater community.  
By: Bonnie Silvers  
Second: Jeffrey Blaugrund

Discussion ensued. Jeff and Bonnie both explained why this motion was made. We need to increase publicity for our school, the Superintendent does not have the time to spend on this and we need a person to be able to report out of all the activities at our district.  
Beth – without seeing the budget she cannot make a decision at this time. Having to make a choice between a program, an educational person and PR, she does not see going with this.  
Bonnie – This subcommittee is asking the full school committee to put forward this position in the budget. Dennis if we put some seed money into this there are people in our community to
participate and who have the skills and talents to do this. Beth again stated that she does not have the budget numbers and is reluctant to go forward.

Vote: Unanimous.

11. Chairman’s Report
Jane Burke reminded the school committee of the February 24th Special School Committee meeting where they will be working on self-evaluations and the School Committee Handbook.

12. Superintendent’s Report
Beth thanked the school committee for the vote of confidence and their hard work in putting together her contract.
- The Director of Curriculum and Professional Development position will become a part time position till the end of this school year. The Admin Team has recommended Dr. Lyn, the Assistant Elem Principal take on the role as part time Director of Curriculum and PD. She will still be a part time Assistant Elementary Principal.
- We were awarded the Massachusetts Project Lead the Way Grant for $25,000 which will enable us to add a class at each level in the middle school over 3 years.
- Student Opportunity Act. According to the Joint Committee on Education, this Act makes an unprecedented, new $1.5 billion investment in public education in an attempt to ensure that public schools have adequate resources to provide a quality education to students regardless of zip code or income level. We are required to prepare a 3-year evidence-based plan due to DESE by 11:59 p.m. on April 1, 2020. We will need to complete the short form. The community needs to be involved with the process. Might have to schedule something after budgets to deal with this. The school committee will need to vote to approve the plan.
